

“

“For if we told you to be persuaded by arguments, you might well be perplexed: but if we bid you believe the Scriptures, and these are simple and true, the decision is easy for you. If any agree with the Scriptures, he is the Christian; if any fight against them, he is far from this rule.”

St. John Chrysostom, 347-407 (in his 33<sup>rd</sup> homily on Acts)

”
