

Prayer for the European referendum

Almighty God,

Lord we need your wisdom.

Grant to us understanding and clarity and we see the issues clearly.

O God have mercy

Lord we realise that the decision we make is not just be for ourselves, but for generations to come so we ask that you will give us time to reflect, to weigh up all the information and to seek your guidance.

O God have mercy

Lord help us to treat one another with respect, to seek peace and to listen to one other. Help us to treat people with grace and dignity that you may be honoured in what we say and how we say it.

O God have mercy

Lord after a decision is made grant us to accept it and to move forward together with unity of purpose.

O God have mercy

Lord help us to be a people who live in peace and forgiveness, seeking to be a blessing to others, pointing always to the love that flows from you alone

Lord have mercy, Christ have mercy

In Jesus name, amen
