### PASSING DAYS

Our homemade countdown calendar is excitedly being marked off, in turns, by the boys. It's not an Advent calendar as such. Nor is it the edible kind with a delicious chocolate hidden behind each door!

The purpose of this special calendar is for crossing off the days until we leave Maralal, and return to Nairobi. We're not sure of the exact departure date yet. Nevertheless, as each day passes, we get a little closer to moving once more. It's a sad/happy feeling as we'll miss the friends we've made here, yet new adventures await...

By Christmas, our hope is that we will be settled in a new home, having unpacked the tree and decorated it with a string of lights, stars and angels.

### DISCOVERY DAYS

In early December, several holiday Bible clubs will be taking place, using the theme of 'Discovering Jesus, the I am'. In lesson one, the prayer is for children to come to know Jesus as the light of the world. Some clubs are due to meet online which will be a new and challenging experience for the teachers.

### BETTER DAYS

As January approaches, new hope springs up in the hearts of many, including the children in Kenya. They can at last look forward to going physically back to school!

The weekly meetings with the Theological Education by Extension (TEE) team will also begin again. What a joy to meet up in person, even with the mandatory masks and distancing in place! Our desire is for this ministry to grow and flourish in a new way in the year ahead.

## DECEMBER 2020 / JANUARY 2021

2020 has taught us to appreciate the blessings of family, friends and fellowship.

As our partners in mission, we pray that you may be filled with God's blessings of hope, peace, joy and love, today and always.

I am the

of the world

### Prayer points

- Thank God for the time the family has spent in Maralal this year and ask for his blessings as we settle once more in Nairobi.
- Remember the Presbyterian Church of East Africa (PCEA) Sunday Schools, who will be having holiday Bible clubs in December – especially pray for those attempting to do their activities online for the first time.
- Pray for the protection from Covid-19 of millions of children in Kenya as they return to physical school in January 2021.
- Pray for a fresh start to the work of the TEE department and for the team as we look forward to physically meeting together in January.
