1 Thess 5:16-18

Kenya

- Pray for Christian Aid staff in Kenya as we continue to serve our communities in a context of COVID 19 spreading across the country.
That we shall be available to be used by God to bring healing and alleviate suffering of communities in complex contexts including climate risks like drought, flooding, locust infestation and conflict.

- Pray for God to open opportunities towards programme financing of projects so that Christian Aid can play its role in empowering communities to understand and advocate for their rights, enable them to speak for themselves even as Christian Aid exposes and challenges injustices and support communities to tackle poverty.

- Pray for God to give wisdom to our country leadership to be used to bring transformational change that allows for a just society, free of corruption and a country that upholds the rule of law. That our citizenry shall understand and take up our role in making our country better now and in days to come.
